Seasonal Catering Staff for 2016 at Waterland

Here at Waterland we work together, and play together too. We are looking for seasonal Catering Staff with Hygiene Level 2 Qualifications. (we will offer training if needed).

We require a minimum of three staff to cover the different times required

Working up to 5 days out of 7, including weekends, early starts and late finishes. Maintenance and cleaning duties are also involved.

We take on Catering Staff from March to September/October and variations in between.

Waterland is a successful outdoor activity and training company based in the Cotswold Water Park near Cirencester. Our café is one year old this year, and supplies refreshment to all our members and clients alike. We also supply the catering for the various events we hold on site too, so a busy time through the year.

We are an Investor's in People organisation. Our Café has been inspected and awarded Level 5 by the Local Council, which we are proud of. Rates of pay based on Living Wage/Minimum wage and experience.
