Thank you for coming. Please keep your race numbers for your next event.							
We are sorry for the missed splits but all finish times are correct.							
Important notice. Due to several unidentifiable swimmers swimming less than 750m these results will not count towards the series. The best 3 out of May, July, & both August events will now count.							
It is advised to pre-enter for future events.							
Please read the event information regarding non-wetsuits							
If we exceed 60 any extra entries over this number who enter on the night will start at 7.15.
